THE CLAUDINE ARRIVES

THE STEAMERS WAIALEALE AND
KAALA OUTWARD BOUND.

What a Dead Waterfront is Doing
today—Three Sailing Vessels to
sail to-morrow.

Their meat Kaala sailed this afternoon for Waianae, Waiatua, Mokuleia, Kahuku and Punaluu, taking permissible goods.

The steamer Waiatua left this afternoon for Kukuiahae and Honokaa.

A guard of Regulars patrol the esplanade in front of the quarantined Mail wharf.

The ballast from the ship S. P. Hitchcock is being discharged on Oceanic wharf.

The tern Esther Buhne, bark Onyx and tern Corona expect to sail tomorrow.

The liner Coptic from San Francisco is lost at sea for Wednesday night and the Alameda from the Colonies is due Thursday morning which will give ample time to answer coast mail.

No entries and no clearances today at the Custom house.

The steamer Claudine arrived in the roadstead early this morning from Maui and Hawaii, having landed all her passengers and freight on Coconut Island for a ten days' quarantine. When she arrived in Hilo bay she found watchmen stationed all along the shore with strict orders to allow no landing. The passengers for Maui were also put in quarantine and after ten days will be returned to their homes. No strong language was used by Sheriff Hitchcock and everything went along as smooth as circumstances would admit, but the Hiloites stand firm for a ten days' quarantine. The Claudine brought 16 cabin and 16 deck passengers and 167 sack potatoes and will have quick despatch for Maui and Hawaii and will probably load immediately. All freight will be received at Fort street wharf.

Would Not Submit.

Barney Ordenstein has a snug and clean home that he built for himself at Kalihi. It is new, has a corrugated iron roof, and gets its water from the artesian well at Kamehameha School. The house is 1500 feet from one of the infected houses that has been burned down. In quarantining the district the Board of Health evicted families and sent some to the cholera hospital quarantine. Barney Ordenstein was ordered to go there too, with his healthy wife and young children. He would not submit to the order but appealed to the Cabinet with a statement of his case.

A BULLETIN reporter saw President Dole, Ministers Hatch, King and Smith about this matter, and all of them protested it was the first they had heard about it. Mr. Ordenstein must have misunderstood something or other that an official tried to scare him about. Possess your home in peace friend Barney. You are too old a fireman to take water from anybody.

FIT'S CURED

(From U. S. Journal of Medicine.)
Prof. W. H. Peck, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician. His success is astonishing. We have heard of cases of 20 years' standing cured by him. He publishes valuable work on this disease which he sends with a large bottle of his absolute cure, free to any sufferer who may send their P.O. and Express address. We advise anyone wishing a cure to address, Prof. W. H. PECK, F. D., 4 Cedar St., New York.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally induce its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxuriant growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.
